## Synopsis

The wicked Abanazer is seeking the magic lamp that contains the all-powerful Genie, so that he can rule the world, and is just steps away from succeeding!

Is all hope lost? No! Help is at hand! A family posse of wannabe heroes is here to foil Abanazer's evil scheme. The innocent local lad, Aladdin, his brother, Wishee Washee and their fearsome mother, washerwoman Widow Twankey are ready to intervene and save the day!

Throw in a magic carpet ride, a mystical slave of the ring, the Emperor of China, a beautiful princess and a couple of inept police officers and you have all the ingredients for a fantastic tale and great entertainment.

Packed with songs, slapstick, silliness and audience participation for the whole family - this panto is full of eastern promise!
