Cinderella

A Synopsis

Once upon a time, in a galaxy far, far away... It is a period of darkness at Castle Liberty - but not for long!

The beautiful and very overworked Cinderella, along with her kind and gentle father, Baron Von Trapdoor, are living under the terrible domain of Cinderella's evil and wicked stepmother Grimelda, and her two ugly daughters, Bella & Donna. The sisters' bickering & bullying never stops!

The King and Queen have decreed that their son must find a bride in order to keep his investiture for the crown, so the very handsome & debonair Prince Charming and his faithful sidekick, Dandini, are on a mission to scour the kingdom for Miss "Right". They invite all eligible ladies to a Royal Ball, including Cinderella, where the Prince will meet his true love!

But alas! Cinderella's nasty stepmother and her incredibly unattractive stepsisters have other plans. With the help of Dim & Wit, two of the most inept handymen in the kingdom, they plan to steal the Castle Liberty out from under the Baron and keep Cinderella in a cleaning job for the rest of her life!

Never fear though! Cinderella's steadfast dog Max, along with her best friend Buttons, who is secretly in love with her, and the most magical Fairy Snow are there to make sure she gets to the Royal Ball in time to meet her true love Prince Charming, and that Castle Liberty stays in the hands of the Baron!

Singalong Lyrics!

Loose, Footloose
Kick off your Sunday shoes
Please, Louise
Pull me off of my knees
Jack, get back
C'mon before we crack
Lose your blues
Everybody cut Footloose
