Synopsis:

Welcome to Moose Jaw Saskatchewan, a small town renowned for its idyllic nature and incredibly low crime rates! Although you might think as a result that it would be the perfect place to live, the workers at both the local newspaper - the Daily Daily - and the local RCMP detachment would beg to differ. The small amount of crime in Moose Jaw has meant that they have nothing to report on and no criminals to catch, making everyday life a complete and utter bore. However, they each have an idea to try and change that...
