A Sailor Went To Sea

A sailor went to sea, sea, sea
to see what she could see, see, see.
But all that she could see, see, see
was the bottom of the deep blue sea, sea, sea.

A sailor went to sea, sea, sea
to see what she could see, see, see.
But all that she could see, see, see
was a **seahorse** swimming in the sea, sea, sea.

A sailor went to sea, sea, sea
to see what she could see, see, see.
But all that she could see, see, see
was a **jellyfish** swimming in the sea, sea, sea.

Plot Synopsis

Princess Muriel is a teenaged mermaid, and like all teenagers, she is tired of her mother treating her like a child! When her mother, the somewhat mannish Queen Trident, tries to force Muriel into an undersea marriage, she enlists the help of her best friend Bubbles to join her in an on-land adventure. Unbeknownst to Muriel, Bubbles is completely infatuated with her.

To get on land, Muriel must make a risky bargain with the nefarious sea witch Tentacruella. She puts her voice and her soul on the line as she races against the clock for a chance at true love.

Aided by a crazy cast of characters including Shellidon, the pun-loving hermit crab, a collection of celebrity sea creatures, and her aunt, a good witch with a drinking problem, Muriel tries to seek out Prince Lyle and enamour herself to him before it's too late!

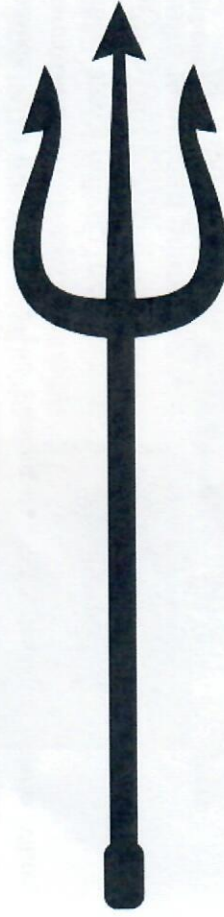

Please Note

There are strobe lights and synthetic smoke used in the show. Also, the centre aisle will be used by our actors throughout the performance, so please stay in your seats or face the risk of being hauled up on stage!
